

Celebrating St Albans Civic Society's 60th Anniversary

To help celebrate St Albans Civic Society's 60th Anniversary we are making available some of our funds – up to £6000 - for local schools, Residents' Associations and community groups to bid for.

If you are currently involved in or planning to start a scheme that will look after and enhance the St Albans built and natural environment- its appearance and/or provides an amenity for local people to enjoy, then you can apply now for a share of the monies being made available.

We are making available £100 for each year of the Society's life, a total of £6000.
